## DIRECTING

### DNF DUEL English Dub Mod

Involved with Casting, Directing, Mixing, Acting, Writing, and Video Editing for the Gameplay, StoryMode, and DLC Sections for the English Dub Mod for DNF Duel. Utilized Unreal Engine 4 to import audio into game, along with hex editing assets to fix text errors in the base game.

### Fighting Game Efforts Workshop

Reached out to by Jamall Burger from Closing Credits to lead a workshop to teach students how to perform fighting game efforts, and what to look for when playing as a Fighting Game Character based on the setting, tone, and story of the World.
